

## **Ionis Pharmaceuticals to Present at Upcoming Investor Conferences**

February 4, 2016 7:01 AM ET

CARLSBAD, Calif., Feb. 4, 2016 /PRNewswire/ -- Ionis Pharmaceuticals, Inc., the leader in antisense therapeutics, today announced that management will present a company overview at the following investor conferences:

- Leerink Partners 5<sup>th</sup> Annual Global Healthcare Conference on Thursday, February 11, 2016 in New York, NY;
- Cowen and Company 36<sup>th</sup> Annual Health Care Conference on Wednesday, March 9, 2016 in Boston, MA;
- 28<sup>th</sup> Annual ROTH Conference on Monday, March 14, 2016 in Dana Point, CA; and
- Barclays Global Healthcare Conference on Tuesday, March 15, 2016 in Miami, FL.

The above listed dates are subject to change. Details on presentation times or changes to presentation dates can be found on the Company's website. Please check [www.ionispharma.com](http://www.ionispharma.com) for the latest information.

A live webcast of the presentations will be available on the "Investors & Media" section of the Ionis website. The replays will be available within 48 hours and will be archived for a limited time.

### **ABOUT IONIS PHARMACEUTICALS, INC.**

Ionis is the leading company in RNA-targeted drug discovery and development focused on developing drugs for patients who have the highest unmet medical needs, such as those patients with severe and rare diseases. Using its proprietary antisense technology, Ionis has created a large pipeline of first-in-class or best-in-class drugs, with over a dozen drugs in mid- to late-stage development. Drugs currently in Phase 3 development include volanesorsen, a drug Ionis is developing and plans to commercialize through its wholly owned subsidiary, Akcea Therapeutics, to treat patients with familial chylomicronemia syndrome and familial partial lipodystrophy; IONIS-TTR<sub>Rx</sub>, a drug Ionis is developing with GSK to treat patients with all forms of TTR amyloidosis; and nusinersen, a drug Ionis is developing with Biogen to treat infants and children with spinal muscular atrophy. Ionis' patents provide strong and extensive protection for its drugs and technology. Additional information about Ionis is available at [www.ionispharma.com](http://www.ionispharma.com).

### **IONIS' FORWARD-LOOKING STATEMENT**

This press release includes forward-looking statements regarding Ionis Pharmaceuticals' business and the therapeutic and commercial potential of Ionis' technologies and products in development, including nusinersen, IONIS-TTR<sub>Rx</sub> and volanesorsen. Any statement describing Ionis' goals, expectations, financial or other projections, intentions or beliefs is a forward-looking statement and should be considered an at-risk statement. Such statements are subject to certain risks and uncertainties, particularly those inherent in the process of discovering, developing and commercializing drugs that are safe and effective for use as human therapeutics, and in the endeavor of building a business around such drugs. Ionis' forward-looking statements also involve assumptions that, if they never materialize or prove correct, could cause its results to differ materially from those expressed or implied by such forward-looking statements. Although Ionis' forward-looking statements reflect the good faith judgment of its management, these statements are based only on facts and factors currently known by Ionis. As a result, you are cautioned not to rely on these forward-looking statements. These and other risks concerning Ionis' programs are described in additional detail in Ionis' annual report on Form 10-K for the year ended December 31, 2014, and its most recent quarterly report on Form 10-Q, which are on file with the SEC. Copies of these and other documents are available from the Company.

In December, 2015, the Company changed its name from Isis Pharmaceuticals, Inc. to Ionis Pharmaceuticals, Inc. In this press release, unless the context requires otherwise, "Ionis," "Company," "we," "our," and "us" refers to Ionis Pharmaceuticals and its subsidiaries.
